

Centre for Grief Education Library Journal Table of Contents Update Service

Do you want to know more about developments in the field of grief and bereavement? The Centre for Grief Education Library now provides a **Table of Contents Update Service**.

For a fee of **\$27.50 a year** (includes GST), members can subscribe to this service and receive specially packaged contents pages of the journals held by the Centre for Grief Education Library three times a year (April, August, December). These journals include:

Bereavement Care
Death Studies
Family Matters
Illness, Crisis & Loss
The Journal of Loss and Trauma
Mortality
Psychotherapy in Australia
Rural Society

Subscribers may request up to four journal articles¹ at no additional charge. Additional articles would be invoiced at \$5.50 per article (includes GST).

With each update there will be a photocopy request form. This form may be posted or faxed to the Librarian at the Centre for Grief Education. These forms need to be signed by the requestor, as they record the Copyright declaration. This form can be photocopied, in the case of multiple photocopy requests. Requested articles would then be posted to the requestor. Please allow two weeks for delivery of articles.
